

TOWN OF BRIDGEVILLE

THE JOURNAL

VOLUME 55 CHAPTER 310

FEB / MAR 2010

From the President's Desk

It has been a spectacular spring in Bridgeville this year. I believe the flowering trees and bushes appear even more striking because of the harsh winter we endured. We're all glad to see the beautiful colors and the warmer weather.

I join all the Commissioners of Bridgeville in congratulating the Bridgeville Fire Company on their 100th Anniversary, as they were finally able to re-schedule their Parade and Open House on Saturday, April 10th. The Town citizens and the Commissioners want to thank the Fire Company again for their dedicated service to Bridgeville and the surrounding area for the past 100 years. We congratulate Mr. Mahlon Baker and all the members of the anniversary committee, for their outstanding job preparing for the Parade and Open House. We cannot thank them enough.

The Grand Marshall of the Fire Company Parade rode in style in a vintage 1946 Chevrolet; Mrs. Minnie O'Day is recognized as a long-time, dedicated member of the Fire Company Ladies' Auxiliary and is about to celebrate a special birthday; Mrs. Minnie will be turning 100 years young this month. The Town has been blessed to have her live here in our midst and contribute so much to Bridgeville and to the Fire Company for many years. Mrs. O'Day, thank you from all of the residents of the Town of Bridgeville.

Residential and commercial development continues in Bridgeville, despite the economy. At our most recent Commission meeting, Mrs. Dottie Harper from Brookfield Homes reported that three more new homes are starting construction at Heritage Shores and they are seeing an increase in potential buyers stopping by the sales office due to the warmer weather. Our new Walgreens has opened and I would encourage you to stop by and support them. Commercial developers with properties on or near Route 13 in Bridgeville are poised to move forward and we are seeing an increase in requests before the Town's Planning and Zoning Commission.

As my dog Molly and I walk through Town, we see a large number of young people and adults walking down the middle of the streets or on the shoulder of the roads. Please be sure to use the Town sidewalks for your only safety. We do not want to see anyone hurt on our streets. Stay safe!

Town Manager's Report

Bridgeville Postmaster, Mr Roger Joseph, has advised the 2010 National Association of Letter Carrier (NALC) National Food Drive will take place on Saturday, May 8th. This is a great opportunity to support our local food pantry and help to stamp out hunger. All you need to do is leave your donated non-perishable food items in a bag hanging from your mail box or on the ground directly below your mail box. Your mail carrier will pick up the bag. Collected food items will be distributed locally for those in need.

Bridgeville's Annual Memorial Day Celebration will be held at the Veterans Memorial in the Bridgeville Cemetery on Monday, May 31, 2010, beginning at 9:30 AM. Please plan on joining us in honoring our Veterans.

The Town's Economic Development Committee, under the direction of Commissioner Mike Collison, has met with business/property owners on several occasions. They are pursuing the enhancement of the downtown area and are moving forward with the following plans and ideas:

- Public Parking Signs have been placed at the Town parking lot located near the corner of Main and Market Streets. Rocks and railroad ties are being removed from that location and will be replaced with sod.

Summer Flower Barrels will be placed in the downtown area, with the business owners taking the responsibility of keeping them watered during the summer months.

- The Town's Current Billboard Signs will have the Town's website address added, as well as the words, "visit our downtown business district for shopping, restaurants and services." A fourth billboard sign is being made, which will give Bridgeville a billboard in all four directions into Town.
- The Town Website, www.townofbridgeville.net, is adding a "Business Listings" category. This will allow Town businesses to place a link on the Town website to their own business websites.
- A Visitor Center Sign will be placed on the building at the intersection of Market Street and Route 404 entering Town from the west. The sign will state "Welcome to the Town of Bridgeville" with "Visitor Center" underneath and an arrow pointing toward Town Hall.
- Four Trash Receptacles will be purchased for placement on Market Street. The business community would like to keep the downtown area as clean as possible.
- Town of Bridgeville Banners have been installed on Market and Main Streets.

The Town would welcome the opportunity to place a story about our downtown businesses in this quarterly newsletter. The information would need to be specific, outlining the business inception, history, progress, etc. If you are interested, please give me a call.

Bonnie Walls

From the Bridgeville Police Department

The Bridgeville Police Department would like to take this opportunity to inform the citizens about issues that are of concern to this department.

Spring is here and crime begins to increase with the warm weather. It is critical that all our citizens keep their doors locked - whether it be your house, a shed or garage, or your vehicle(s). It is also important that you keep all valuables off the seats of your cars and out of plain view. Concerning your yard, be sure to store all yard tools, etc. in your shed or garage. Do not leave anything that could easily be taken in your yard for an extended period of time.

The Bridgeville Police Department has implemented a Neighborhood Watch Program; anyone interested in becoming a part of this program should contact the Police Department.

If you see anything that you believe to be suspicious or notice criminal acts in progress, please call the Police Department immediately at the phone number listed below, or dial 911. If you have a concern about a police-related matter, please either stop by the department at 302 Market Street or call us to discuss your concerns.

Tree & Foliage Trimming

In order to clean the streets at the curb line, the Town's street sweeper requires a height clearance of at least twelve (12) feet. There are many properties in Town with tree limbs that are below the clearance height and bushes that extend over the curb line. We would appreciate everyone's cooperation in trimming and maintaining these trees and bushes so the street sweeper can do an effective job. The Town streets are generally swept during the second full week of each month.

Town Beautification

Spring is a great time for general outdoor clean-up and property improvement projects.

We have many outbuildings in Town with broken windows and in need of cosmetic or structural work.

**Please bring these
Buildings up to Code!**

IMPORTANT NOTICE

Grass Cutting Policy

1 Warning Only

Please be advised the Town will only give one warning concerning grass that is 8 inches or taller this year.

If the first grass cutting warning is not heeded, the Town will automatically cut the grass and the property owner will be charged a minimum of \$75.00 for the grass cutting service plus a \$250.00 administrative fee.

If you will be away for an extended period of time, please make arrangements for your grass to be cut in your absence.

There will be no exceptions.

Pool meters will again be available from the Town Hall for those who are interested. The metered hose will allow you to fill your pool with water

charging only for water, not for sewer. Pool meters must be returned within one week to avoid penalty.

2010 Town Clean-Up Day

Please be aware there will be NO Spring Clean-Up Day this year. The Town will offer a Fall Clean-Up Day in late September ONLY.

Trash may not be accumulated until the Fall Clean-Up; it must be disposed of on a regular basis.

Winter Storm Retrospect

The Town would like to thank those residents who cooperated with the Town's snow removal policies during our record snowstorms this winter. Granted, there was too much snow to move completely out of motorists' way; however, in the future, we will need residents to be diligent to move their cars to opposite sides of the streets so that the snow removal equipment can return after the initial plowing and continue to improve all Town thoroughfares.

This program is free to the public (ages ten and older, please); however, there will be a contribution container available for anyone who may wish to support the ongoing work of the Friends of the Bridgeville Library. George F. Hixson Fellow Award During the 71st Anniversary Charter Night program on March 15th, Thomas F. Carey was presented the George F. Hixson Fellow Award. This is the highest honor a club can confer on one of its members. This prestigious award was presented for Mr. Carey's continuous outstanding leadership and service to Kiwanis and community. During his year as Club President, '03-'04, two major projects were completed; the new serving and storage building at the Kiwanis Chicken BBQ site was completed and dedicated and the refurbishing of all the Christmas Street Pole Decorations was completed.

They included 1st Sergeant David Grinstead, Director of Woodbridge High School Junior Marine ROTC program, James Mitchell, project engineer with Cambridge International and Lawrence Tassone, retired resident and new Bridgeville Town Commissioner from District 2.

Kiwanis / Lions Joint Meeting Each year the Bridgeville Lions and Bridgeville Kiwanis clubs take turns hosting a joint annual meeting. The Lions will host this year's gathering. This event was organized to create good relations and maintain a spirit of fellowship among the two clubs so they can help serve the needs of the community.

Kiwanis Chicken Barbecue The Kiwanis Chicken BBQ begins its 2010 season the first weekend in May and continues every weekend through October 3rd. During July and August, the facility will also be open every Friday. Funds raised from this project are returned to the community to serve children and youth, fund service projects and assist the elderly and less fortunate. Thank you for your support.
